

WESTERN POWER DISTRIBUTION (SOUTH WALES) PLC

Modification Proposal

Amendment Proposal: WPD/WALES/001

House-keeping Change to Contestability status for Design of New Connections

Date of Issue: 28th July 2006

For Approval by the Authority

This Modification Proposal sets out Western Power Distribution (South Wales) plc's ("WPD") proposals to amend WPD's Connection Charging Methodology contained within its Statement of the Connection Charging Methodology and Basis of Charges for Connection to Western Power Distribution (South Wales) plc's Electricity Distribution System (the "Statement").

Issue Record

Issue Date	Issue No.	Author	Amendment Details
July 2006	001	Tim Hughes	

4.0 Proposed Change to the Statement

- 4.1 It is proposed to amend the third paragraph of Section 1.1 of Part A by deleting the phrase “**design (if not green field site)**,”. The amended paragraph will read:

“The estimated costs to be incurred by WPD in making the connection will include the provision and installation of electric lines and electrical plant. Items of significant cost and the additional costs of non-contestable services, for example, specification, project management and the obtaining of statutory wayleaves and consents are identified in Schedule 6. If requested, WPD will provide a detailed indication of the cost of the connection identifying those items of significant cost, consistent with the information in this Schedule.”

5.0 Implementation Date

- 5.1 This modification is proposed for implementation on 1st September 2006 or, in any event, as soon as possible thereafter.
