

## Gas Balancing Alert Email/SMS Service

For winter 2006/2007 a new, free service is being offered by National Grid. Users who subscribe to this service can receive email and/or SMS messages whenever a Gas Balancing Alert is issued, as well as the alert status being updated via the Daily Summary Report.

There are three sections to the subscription page which can be found at [www.nationalgrid.com/uk/Gas/Data/subscribe](http://www.nationalgrid.com/uk/Gas/Data/subscribe)

Logon to manage user details and preferences

Provide information to allow user to receive alert messages

### Section 1 – Your Details

Provide information unique to you that will be used to send alert messages. Your email address and chosen password will be stored by National grid so that in future, you can logon and change your details should you wish to do so.

### Section 2 – Alert Details

Provide details of how and when you would like to be notified of any Gas Balancing Alerts.

#### Email

Instant	within 1 hour
Daily	By end of working day
Weekly	By end of working week
Monthly	By end of working month

SMS is within 1 hour

### Section 3 - Register

National Grid standard Terms and Conditions apply to this service. Indicate acceptance of these and register for the service.
