Dear Colleague,

Gas Distribution Price Control Seminar – 23 January 2007

Ofgem is holding a seminar on the gas distribution price control on 23 January 2007. The seminar will consider issues relating to the main (five year) price control that will apply to the gas distribution networks from 2008-2013, looking in particular at how our proposals will affect consumers. A number of the issues that we will cover are set out in the Gas Distribution Price Control Review Third Consultation Document (Ref 203/06). The agenda is attached.

The seminar will be held from 9:30 am until 12:30 pm. At this stage, we plan to hold the seminar at Ofgem's offices at 9 Millbank, however if a large number of people wish to attend, it may be necessary for us to book at external venue. For this reason, if you would like to attend, please contact Paul Newman on 0207 901 7026 or at GDPCR@ofgem.gov.uk by no later than 3 January 2006.

Yours sincerely,

Mark Cox
Gas Distribution, Ofgem
