

# MODIFICATION TO USE OF SYSTEM CHARGING METHODOLOGY

Under Standard Condition 4 of the Electricity Distribution Licence

## UoS Mod 05 – Housekeeping (Instructions for Locating Documents on the Web Site)

<i>Organisation's Name:</i>	EDF Energy Networks on behalf of EDF Energy Networks (EPN) plc EDF Energy Networks (LPN) plc EDF Energy Networks (SPN) plc
<i>Details of Proposer:</i> Name:  Organisation: Telephone Number: <b>Email Address:</b> Date:	Oliver Day Distribution Pricing Manager EDF Energy Networks 01293 657920 <b>oliver.day@edfenergy.com</b> 14 December 2006
<i>Description of the Proposed Modification:</i>  Housekeeping changes to revise the instructions within the statement on how to locate relevant documents on EDF Energy's web site.	
<i>A clear explanation of how the proposed change better meets the relevant objectives:</i>  This change does not alter the content of the approved charging methodology. It has been submitted to enable formal documentation to keep pace with business changes.  Ensuring the Methodology Statement is up to date with external charges should make the relevant objectives more likely to be met.	
<i>Proposed wording for the methodology statement and (if applicable) the charging statement:</i>  In the 4 <sup>th</sup> paragraph under "Licence Obligation" on page 2 delete  "To locate this (and other) Statements on the website; on the home page select "About EDF Energy Networks" from the blue menu bar that runs across the screen below the logo; then select "Networks Branch" from the green menu bar; then select "Publicly Available Information" from the menu down the left hand side of the screen."  and insert  "To locate this (and other) Statements on the website; on the home page select "Networks" from the orange menu bar that runs across the screen below the logo; then select "Publicly Available Information" from the menu down the left hand side of the screen; then select "Click here for our complete statutory documents" in the yellow bar approximately a third of the way down the screen; finally select Connection, Use of System and Metering Services Documents from the list in the centre of the page."  In the 1 <sup>st</sup> paragraph under "Where our Use of System Charges are published" on page 18 delete  To locate these statements on the website; from the home page select "About EDF Energy" from the blue menu bar that runs across the screen below the logo; then select "Networks Branch" from the green menu bar; then select "Publicly Available Information" from the menu down the left hand side of the screen.  and insert  "To locate these statements on the website; on the home page select "Networks" from the orange menu bar that runs across the screen below the logo; then select "Publicly Available Information" from the menu down the left hand side of the screen; then select "Click here for our complete statutory documents" in the yellow bar approximately a third of the way down the screen; finally select Connection, Use of System and Metering Services Documents from

the list in the centre of the page.”

Please refer to the marked up draft statement showing revised wording on pages 2 and 18. Please note that in order to facilitate ease of identification of the changes I have used the proposed Statement arising from UoS Mod 04 as a start point.

*Illustrative charge, where the proposal results in changes, and details of which customers will be affected by the change:*

Not applicable

*A timetable for the implementation of the modification and charge changes:*

EDF Energy Networks will be submitting a number of Modifications to take effect from 1 April 2007. We intend to publish an amended statement prior to the 19th February 2007 (in time for the notification of final Use of System charges under the DCUSA and other use of system agreements for 1 April). This publication will incorporate all of the Modifications not Vetoed by the Authority at that time.

Please note that the publication date and statement of approval are square bracketed, these will be removed if and when the modifications are Not Vetoed.

*Details/copies of any responses received to consultation carried out prior to submission to the Authority:*

Not Applicable
