Consuming Interests

Priorities for the energy consumer

Wednesday 17th January 2007

Location: Ofgem, 9 Millbank,
London SW1P 3GE

Chair: Sir John Mogg, Chairman of Gas
& Electricity Markets Authority

Speakers: Dr Elizabeth France CBE
Energy Ombudsman
Lord Whitty
Chair, National Consumer Council
Mr John Howard
Council Member, energywatch
Mr Peter Hofman
Director Sustainable Future,
EDF Energy

Key questions the debate will address

include: what are the interests and expectations of consumers in the energy market and how do they differ from other markets? And how do we best engage with and understand the interests of different consumer groups – households, businesses and vulnerable customers?
