Dear Mr Davies

SP Distribution and SP Manweb - Section 11 and 11A notices - metering price control and service obligations

I am writing in response to the Section 11 notices issued on 20 February 2007 (in respect of SP Manweb) and 14 March 2007 (in respect of SP Distribution) concerning modifications to special distribution licence conditions relating to metering.

We accept the proposed licence modifications contained in the above notices.

We also accept the modifications to standard licence conditions relating to metering proposed in the Section 11A notice dated 20 February 2007.

I hope that this is helpful but please contact me if you would like to discuss.

Yours sincerely

Scott Mathieson
