Joanna Whittington, Director - Gas Distribution (Networks Division)  
Ofgem

Dear Ms Whittington,

Thank you for your letter dated the 8<sup>th</sup> of March.

In pursuing the issue of gas network extension in my constituency I have met with a number of community groups and organisations.

I thank you for the copy of the Gas Distribution Price Control Review. I was particularly interested in the section pertaining to network extensions.

I support option five which I understand to have been proposed by my local Gas Distribution Network, Wales and West Utilities, and I would like this to be recorded officially as part of the review.

I also intent extending discussions with both Warm Wales and Eaga on the issue of fuel poverty and will be entering further discussions with the Welsh Assembly government following the May elections.

Please could you indicate whether it is necessary for me to complete any documentation as part of my opinion to the review.

Yours sincerely,

Albert Owen MP/AS
