‘The G3’

G3 work and timetable

- Further developing the joint DNOs' COG model
 - Improved and extended to incorporate DG
- Also developing 'Forward Cost Pricing' method for EHV marginal costs

Outline timetable:

- Joint consultation paper – late April 2007
- Joint presentation to DCMF – early May
- Consultation responses due – mid June
- Modifications to Ofgem – September
- Indicative tariffs – late December
- Implementation – April 2008
