Dear Emma,

RE: Uniform Network Code (UNC) Modification Proposal 0104 "3rd Party Proposal: Storage Information at LNG Importation Facilities" Open Letter

Thank you for the opportunity to respond to the above open letter. As expressed in our response to the Modification Proposal and Impact Assessment, E.ON UK does not support this Proposal. Whilst appreciative of the clarification provided in the open letter, we agree with comments made at the Modification Panel Meeting (May 17) that this Proposal was ambiguous from the outset and as such could / should not be implemented.

If you have any questions or queries regarding this response, please do not hesitate to contact me.

Yours sincerely

Alexandra Campbell (by email)
