

## LECG reports on indirect operating expenditure for GDPCR

**Document Type:** Consultants reports

**Ref:** 166/07

**Date of Publication:** 2 July 2007

---

**Target Audience:** Consumers and their representatives, gas distribution networks (GDNs), independent gas transporters (IGTs), gas shippers and suppliers and other interested parties

---

**Overview:**

LECG has reviewed the indirect operating expenditure submissions by the GDNs and provided recommendations to Ofgem on the appropriate expenditure allowances for 2008-09 to 2012-13. These reports set out LECG's analysis and their recommendations. There is a separate report for each of the 4 GDNs owners. A separate report covering xoserve will be published in due course.
