Bringing clarity to the Exemption Order

- At July meeting DEWG agreed there was a need to introduce more clarity into the Order
- Focus: the Order itself – better regulation
- Other issues noted – subject of wider work
- Informal consultation - recent BERR contacts, DEWG members

Areas to explore

- Experience of interpreting Order
- Seeking further information
- Views on limits
- Views on becoming licensed
- Seeking legal advice
- A barrier to innovation?
- What would help?
