Dear Colleague

Invitation to a meeting on the anti-hoarding arrangements in place at the Isle of Grain LNG importation facility (Grain 1)

In Steve Smith's open letter dated 22 November 2007¹ Ofgem invited you to submit any concerns that you have in relation to the operation of the arrangements for secondary access to phase 1 of the Isle of Grain LNG terminal ("Grain 1").

In order to provide an additional opportunity for interested parties to discuss the arrangements to access secondary capacity at Grain 1, we plan to host a meeting on **14 December 2007 between 10am and 12 noon** at our Millbank premises in central London.

Should you wish to attend this meeting, please contact my colleague Carlos Martinez (020 7901 7070 or carlos.martinez@ofgem.gov.uk) to register your interest so that we can plan the meeting effectively.

We are also happy to meet with any parties individually if they prefer to discuss their issues with us on that basis.

Yours sincerely
