Dear Jessica,

**Revised Standards of Performance Arrangements for Gas Transporters**

Thank you for your letter of 23<sup>rd</sup> November 2007 regarding Ofgem's proposal to implement revised standards of performance for gas transporters.

In response to the consultation request, Energetics Gas Ltd has no major objections to these proposals and therefore has nothing material to add to this exercise.

Yours sincerely,

**BILL McCLYMONT**  
Chief Executive Officer
