

Powering the Energy Debate – the code governance review

Please note that this agenda was subject to minor revisions on 26th February that reflect: (a) a change to the National Grid speaker; and (b) minor revisions to the running order of the later sessions. All other aspects of the agenda remain unchanged.

The agenda for the **Powering the Energy Debate event to be held on Thursday 28th February 2008** is below. This event will be held in the Council Chamber at Broadway House^[1], Tothill Street, London, SW1H 9NQ on Thursday 28th February 2008, from noon to 5pm. A buffet lunch will be provided.

If you wish to attend and were not sent a hard copy invite, you must pre-register by emailing industrycodes@ofgem.gov.uk and telling us the name(s) of who you would like to attend. We will respond confirming whether space is available. It is important that you carry out this step because space is strictly limited – we cannot guarantee that a space, or a delegate pack, will be available for anyone who turns up without confirming this in advance.
