Percentage of onsite micro generation provided though this project required / supported by local or central government initiatives (other than the Electricity and Gas (Carbon Emissions Reduction) Order 2008) (the 'Standard Percentage') :

Percentage of onsite micro generation provided though this project in addition to that required / supported by local or central government initiatives (other than the Electricity and Gas (Carbon Emissions Reduction) Order 2008) (the 'Additional Percentage'):

Provide details of any policies or programmes relating to the Standard Percentage:

Percentage	Name of policy
E.g.: 10 per cent	'Merton rule' required for planning permission from London Borough of Merton

On behalf of the Organisation, I declare and confirm the following:

- 1) The supplier has only funded the additional percentage
- 2) The measures accounting for this are additional to any local or central government requirement or scheme
- 3) The installation exceeds the requirements of the Building Regulations and the measures will not be used to demonstrate compliance with the Building Regulations; i.e. each dwelling would have met the requirements of the Building Regulations even if a) the supplier funding had not been provided, or b) the microgeneration measure had not been promoted.
