

31 October 2008

Publication of responses to the CLM (document reference 137/08) associated with our 1 October decision document (document reference 135/08) on delivering the electricity distribution structure of charges document

The collective licence modification (CLM) process that accompanied our 1 October structure of charges decision document closed on 29 October.

Responses to the CLM are published on the licensing section of our website as associated documents to the [1 October licence modification notice](#).
