Dear Paul

Changes to the licence fee cost recovery principles following the introduction of the Consumers, Estate Agents and Redress Act 2007

Thank you for the opportunity to comment on your consultation regarding changes to the licence fee cost recovery principles, following the introduction of the Consumers, Estate Agents and Redress Act 2007.

We have no specific comments to make on the document, since we understand that the overall structure of cost recovery will remain unchanged and that energywatch costs will be replaced by those of the new bodies: Consumer Direct and the National Consumer Council (NCC).

If you have any queries, please contact me on 01293 6576852.

Yours sincerely
