Dear Paul

Changes to the licence fee cost recovery principles following the Consumers, Estate Agents and Redress Act 2007.

I am writing in response to the above Consultation. On the basis that the proposed changes to the licence fee cost recovery principles document are in line with the proposed modification to Standard Licence Condition 3 (Payments by Licensee to the Authority) as outlined in the recent Ofgem Consultation 'Modification of Licences and Codes to reflect the abolition of energywatch and its replacement with the new National Consumer Council', we have no objections to the implementation of the changes.

Yours sincerely

Joanna Roberts
