

Climate Change Levy Exemption for Good-Quality Combined Heat and Power Certificate (CHP LEC) Schedule 2009/2010

Version number: 1

Issue Date: April 2009

Column A provides the date by which Ofgem should receive electricity production figures for Climate Change Levy exemption for Good-Quality CHP purposes. If any generating station is experiencing difficulty submitting its data to Ofgem via the Renewables and CHP Register within the timeframes in this schedule it should notify us **BEFORE** the relevant date in column A***.

If data is provided to Ofgem after the date shown in column A CHP LECs cannot be issued with the normal monthly CHP LEC issues. It may be possible to consider the output as part of the annual reconciliation process, which takes place after 1 July each year.
