Dear Lewis

Statutory Consultation on Collective Licence Modification Proposal for a Common Distribution Charging Methodology for the High and Low Voltage Networks

Further to the letters from Rachel Fletcher of 8 May 2009 and 3 June 2009, and the collective licence modification proposal reference 48/09, I am responding on behalf of our three distribution licensees whose licences would be affected by such a change:

- EDF Energy Networks (EPN) plc
- EDF Energy Networks (LPN) plc
- EDF Energy Networks (SPN) plc

I am pleased to confirm that we do not intend to make a statutory objection to the notices. We would have preferred Ofgem to accept Roger Barnard's proposal in relation to the section 49A notice, but the commitments given in Rachel's letter of 3 June 2009 are sufficient for our purposes.

Yours sincerely

Paul Measday
