Dear Ms Fletcher

Annual Stakeholder Report on Electricity Distribution

The Joint Advisory Committee (JAC) for the Clwydian Range AONB considered this matter at a sub committee meeting earlier today and resolved to submit the following response in respect of the annual report:

“The JAC supports the intention to produce a more customer friendly annual report on electricity distribution, but would ask that comparative data be included on overhead lines removed and/or undergrounded within AONB’s and National Parks.”

I would be grateful if you would consider the JAC's comments when deciding how to proceed with the new annual report..

Yours sincerely,

Tony Hughes
For the Clwydian Range AONB Joint Advisory Committee
