Dear Rachel

Standard Condition 24 (Distribution System Planning Standard and Quality of Performance Reporting): Electricity Distribution Licence

Thank you for the opportunity to respond to the above letter, dated 4 March 2010.

We have not identified any issues arising from the two-year trial period for the derogation, which ended last month, and support Ofgem's proposal to extend it until 31 March 2015.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
