Dear Colleague

Notice of amendment to Consultation on "relevant points" of a transmission system for the purposes of Article 6(4) Gas Regulation (EC) No 1775/2005

Ofgem published on the 26th July a consultation letter on "relevant points" of a transmission system for the purpose of Article 6(4) Gas Regulation (EC) No 1775/2005.

It has come to our attention that three additional points (Blyborough (Welton), Canonbie and Portland) should have been included in the proposed relevant points table in Annex 1 of the letter. These points have now been added and are highlighted (in bold) in the amended consultation letter.

The deadline for responding to the consultation on "relevant points" shall remain the 23rd August.

If you have any comments or questions on this letter, please contact Paul O' Donovan on +44 20 7901 7414 or gas.transmissionresponse@ofgem.gov.uk in the first instance.

Yours Sincerely
