Dear Gareth

Notice of the requirement on DNOs to establish a DG Connections Guide and DG Information Strategy

Thank you for the opportunity to comment on the above notice dated 8 July. This response should be regarded as a consolidated response on behalf of EDF Energy's four distribution licence holding companies – EDF Energy Networks (EPN) plc, EDF Energy Networks (LPN) plc, EDF Energy Networks (SPN) plc, and EDF Energy (IDNO) Ltd.

We are writing to advise Ofgem that we do not wish to make any representations in respect of the above notice.

With regard to the requirements of the notice, we are working with other DNOs, through the ENA, to develop the DG Connection Guide ("the Guide"). The work is progressing well and we expect to submit the Guide to Ofgem on time. Work is also in progress to finalise our DG Information Strategy document, and this will be submitted to Ofgem by the date specified in Ofgem's notice.

If you have any queries, please contact me on 01293 657853.

Yours sincerely

Paul Measday
Regulation Manager
