16 August 2010

Dear Rachel,

**Notice concerning the Proposed Modification of the Standard Licence Conditions of Electricity Distribution Licences Under Section 11A(3) of The Electricity Act 1989**

In response to the recent statutory consultation on amending Standard Licence Condition (SLC) 1.3, SLC50.10, SLC50A.11, by introducing a new SLC13A.5 and SLC13B.6, and adjusting the numbers in the conditions from SLC13A.6 and SLC13B.7 onwards and the numbers of parts from Part B onwards accordingly, I can confirm that Electricity North West Limited will not be issuing a statutory objection to the changes.

Yours sincerely,

Paul Bircham  
**Customer Strategy & Regulation Director**
