Question:	Can you provide further detail on the level of effort committed to the project by the Joule Centre?
------------------	---

Answer:	The Joule Centre will provide the equivalent of five full time researchers in support of the Project for the key activities of data capture and dissemination of learning; the equivalent of 0.5 of a full time resource will be funded by the Joule Centre and the additional 4.5 full time resources funded by the Project. This covers all costs including student fees, research facilities and administration costs.
