Original Answer:			

Question:	Please can you resubmit the Second Tier Funding Request tab of Appendix A, with only the Direct Benefits table completed (This is because, as stated in the spreadsheet - if the Direct Benefits are greater than 10% of the Initial Net Funding Required you should complete the Direct Benefits table only. If the Direct Benefits are less than 10% of the Initial Net Funding you should complete the DNO Compulsory Contribution table only.) This should not change the Second Tier Funding Request amount.
