<b>Original Answer:</b>			

<b>Question:</b>	Please Provide details of funding sources
------------------	---

<b>Answer:</b>	<p>Please find attached spreadsheet which outlines our external funding for the project.</p> <p>We have identified a significant level of external funding for the project, whilst we and our collaborators are confident that this can be secured, it should be recognised that elements of the funding such as ERDF are still subject to formal approval by the funding bodies. If these are unsuccessful, via our Head of Partnership funding we will look to secure alternative funding sources or with Ofgem's agreement alter the scale of the project.</p> <p>In addition SHEPD are still actively working to identify further funding sources</p>
