Dear Rachel

Consultation on proposed licence modifications: governance arrangements for electricity distribution use of system charging methodology

I am responding on behalf of our four licensees, Eastern Power Networks plc., London Power Networks plc., South Eastern Power Networks plc. and UK Power Networks (IDNO) Ltd.

I can confirm that having reviewed the documents and proposed changes relating to governance arrangements for the electricity distribution use of system charging methodology we do not wish to make any representations or directions in respect of them.

If you have any queries please do not hesitate to contact Keith Hutton in the first instance.

Yours sincerely
