23rd December 2010

Dear Stuart

Notice under section 11A of the Electricity Act 1989 (re modification of Standard Licence Condition C13 (Adjustment to use of system charges (small generators) of National Grid Electricity Transmission plc's ("NGET's") electricity transmission licence (the "Licence"))

I refer to the notice (the "Notice") given by the Gas and Electricity Markets Authority on 16 December 2010 pursuant to Section 11A of the Electricity Act 1989 (the "Act") that it proposes to modify the Licence in the manner set out in the Schedule to the Notice.

I confirm that, for the purposes of Section 11A of the Act, National Grid Electricity Transmission plc has no objection to the proposed modification of the Licence in the manner specified in the Schedule to the Notice.

Yours sincerely

[By e-mail]

Paul Whittaker
