Dear Anna,

Notice of proposed modifications of the standard licence conditions of:

- the Electricity Supply Licence under section 11A of the Electricity Act 1989; and
- the Gas Supply Licence under section 23 of the Gas Act 1986

I am writing to confirm that SSE have reviewed the above mentioned proposed licence condition modifications in relation to the Carbon Reduction Commitment Energy Efficiency Scheme, and do not intend to make any objections. We also do not have any comments to make in regards to the guidance.

Yours sincerely

Claire Rathey
Regulation Analyst
