MINIMUM REQUIREMENTS Please indicate by checking the appropriate boxes whether your company Yes No has met the minimum criteria for each reward. DNOs have a range of CSR programmes which are linked to their distribution Yes businesses and result in benefits to their customers. DNOs' CSR programmes have been successfully incorporated into wider community Yes programmes at local level through effective work with partners (where appropriate). CSR programmes are effectively reaching their target audience and performance is Yes regularly monitored. CSR is recognised as an integral element of the culture and ethos of the DNO with Yes senior management level reporting responsibility. DNOs seek feedback from customers, stakeholders, partners and staff regarding Yes their CSR initiatives and their effectiveness. DNOs use this feedback to improve their CSR programmes and initiatives. DNOs' CSR initiatives and programmes take account of the material impact of the Yes company on society and the environment, rather than impact of a particular project. DNOs' CSR initiatives are measured by performance indicators that quantify the Yes impact of the initiative rather than the process itself (where the initiative relates to PSR populations the measurable impact should be linked to the data assessment highlighted under the Wider Communications minimum requirements).
