

MODIFICATION OF SPECIAL CONDITION C8E OF NATIONAL GRID GAS PLC'S GAS TRANSPORTER LICENCE IN RESPECT OF ITS NATIONAL TRANSMISSION SYSTEM UNDER SECTION 23(1)(a) OF THE GAS ACT 1986¹

NOTICE OF REASONS FOR THE DECISION TO MODIFY SPECIAL CONDITION C8E OF NATIONAL GRID GAS PLC'S GAS TRANSPORTER LICENCE UNDER SECTION 38A OF THE GAS ACT 1986

Whereas –

1. National Grid Gas plc ("the Licence Holder") is the holder of a Gas Transporter Licence in respect of its National Transmission System ("the NTS") ("the Licence") granted or treated as granted under section 7 of the Gas Act 1986 ("the Act").
2. In accordance with section 23(3) of the Act the Gas and Electricity Markets Authority ("the Authority"):
 - i. gave notice ("the Notice") on 12 September 2011 that it proposed to make modifications to Annex A of Special Condition C8E of the Licence setting out its effect;
 - ii. stated the reasons for the proposed modifications; and
 - iii. served a copy of the Notice on the Licence Holder requiring any objections or representations to the modification to be made on or before 10 October 2011.
3. In accordance with section 23(4)(b) of the Act, the Authority gave notice of the proposed modifications to the Secretary of State on 12 September 2011 and has not received a direction not to make the modifications before the relevant time period specified in the Notice.
4. On 3 October 2011 the Licence Holder gave written consent to the proposed modifications².
5. In addition to the Licence Holder's consent, the Authority received one consultation response from EDF Energy. EDF Energy suggested that the proposed name for the exit point should be changed to avoid confusion with another exit point called 'Hole House Farm' and ensure consistency with previous regulatory orders.
6. The Authority has carefully considered the consent received from the Licence Holder and the response from EDF Energy in relation to the proposed modifications and considers that the name of the exit point should be changed to 'Hill Top Farm (Hole House Farm)'. The amended provisions of Annex A of Special Condition C8E are consolidated and attached hereto as Schedule A.
7. In accordance with section 38A of the Act the Authority gives the following reasons for making the licence modifications. The licence modifications are necessary:
 - to add a new exit point called 'Hill Top Farm (Hole House Farm)' to the Gas Transporter Licence;
9. Further details of the reasons were published by the Authority in the document: "Consultation on the addition of a new exit point to the gas transporter licence", on 12 September 2011.

¹ This document is available free of charge from the Ofgem Research and Information Centre, 9 Millbank, London SW1P 3GE or from the Ofgem website at www.ofgem.gov.uk.

² The consent received, which was not confidential, is available free of charge from the Ofgem Research and Information Centre, 9 Millbank, London SW1P 3GE or from the Ofgem website www.ofgem.gov.uk.

THEREFORE

10. In accordance with section 23(1)(a) of the Act, the Authority hereby modifies the Licence in the manner specified in Schedule A hereto with effect on and from 25 October 2011.

11. This document constitutes Notice pursuant to section 38A of the Act.

The Official Seal of the Gas and Electricity Markets Authority here affixed is authenticated by the signature of

.....
Andy Burgess
Associate Partner, Transmission and Distribution Policy
Duly Authorised on behalf of the Authority

26 October 2011

Schedule A

Annex A to Special Condition C8E (NTS gas exit incentives, costs and revenues)
