Project code:	WPDT2003	Question Number	11
Question date	13/09/11	Answer date	20/09/11
Submission section question relates to	Appendix D		
Topic	Project management		
Question	Will the project have a full-time project manager throughout the duration of the project?		
Notes on question			
Answer	<p>The project will have a dedicated project manager. Sufficient resources and personal from the WPD future networks team will be made available as required.</p> <p>During the detailed project development and installation of equipment the project manager is likely to be working full time on project BRISTOL. During the operation phase we have estimated the dedicated project manager will spend two days per week working on BRISTOL.</p>
