Submission section question relates to	Appendix E		
Topic	Contracts		
Question	Please can you explain further the contractual agreements you are seeking with Moixa.		
Notes on question			
Answer	<p>Siemens have committed to providing the LV Connection Manager and LV Network Manager and associated equipment. If Siemens feel there is an advantage to integrating Moixa's technology into the LV Connection Manager they will form a contractual arrangement with Moixa. Siemens are continuing their discussions with Moixa. Any subcontractor arrangement will be approved by WPD as outlined in the terms and conditions of the contractual arrangement with Siemens.</p> <p>Any contracts will be compliant with the LCNF IP requirements; these have already been discussed with Moixa.</p>
