Project code:	ENWLT2003	Question Number	10
Question date	1 September 2011	Answer date	6 September 2011
Submission section question relates to	3		
Topic	Project Business Case		
Question	There is a disparity in the reported DNO compulsory contribution. Please confirm the value of DNO compulsory contribution.		
Notes on question			
Answer	We are unaware of a disparity in the reported DNO Compulsory Contribution, although we have used a number of phrases in the Full Submission to represent the term 'DNO Compulsory Contribution'. For the avoidance of doubt, the C ₂ C Project's DNO Compulsory Contribution is £1,023,054, as shown on page 2 (Second Tier Funding Request' of the Full Submission Workbook in Appendix 4.		
Attachments	None.		
Verbal Clarifications (Consultants)	None.
