Project code:	UKPN2002	Question Number	10
Question date	1 September 2011	Answer date	6 September 2011
Submission section question relates to	Section 6 – Project Readiness		
Topic	Project readiness		
Question	Please can you advise us who will be on the Project Steering Group and the UKPN's Executive in the project.		
Notes on question			
Answer	<p>The Project Steering Group will consist of senior representatives of each of the project partners. These representatives will have senior authority within their organisations to release resources, approve transition to next stages throughout the FPP project and authorise required changes. The Head of Future Networks (Dave Openshaw) will be on the Project Steering Group, which will be chaired by the project Director (Cristiano Marantes).</p> <p>As shown in the project organogram in Appendix E of our submission, project sponsorship will be provided by Ben Wilson, UK Power Networks' Director of Strategy & Regulation and CFO. Dave Openshaw, UK Power Networks' Head of Future Networks, who will be responsible for ensuring that the FPP project remains aligned with UK Power Networks' business strategy.</p>
