Project code:	SPT 2003	Question Number	25
Question date	17/11/2011	Answer date	21/11/2011
Submission section question relates to	Appendix G		
Topic	Project Partners		
Question	What is the status of any agreements with project partners? When will contracts be agreed if the project receives funding?		
Notes on question			
Answer	<p><b>University of Strathclyde</b></p> <p>We currently have a number of commercial collaboration agreements in place which we have been operating under for the development of the project and will formalise a contract for this project by the end of March 2012.</p> <p><b>TNEI</b></p> <p>We currently have a commercial agreement with TNEI which covers the LCNF preparation activity but we will be extending this for the full scope of the project by the end of March 2012. The current agreement will allow for work to continue until this contract is in place.</p> <p><b>Nortech</b></p> <p>We currently have commercial agreements in place relating to other activity and will aim to have a contract in place for the purposes of this</p>		

	<p>project by the end of March 2012.</p> <p><b>BRE</b></p> <p>We currently have a letter of support from BRE relating to this project and will be expecting to finalise a contract by end of March 2012.</p>
