

Final MAMCoP Draft after Comment document as agreed at the last MAMCoP Board meeting on 28th June and by correspondence with Nation Measurement Office.

Changes agreed at the meeting were:

clause 2.6 - the definition of 'should' has been changed to remove reference to 'best practice'

clauses 7.1; 7.4.1; 17.5.2 – reference to 'best practice' replaced

clause 17.5.2 – note added to reference BS6002 about sampling procedures

clause 3.3.1 and Annex 1 reference to IGEM/UP/1C added.

In addition a question was raised to IGEM by Michael Worrell (NMO) regarding verification of meter accuracy. In response Sub-Section 17.5 has been amended (shown in red text) as agreed by the Working Group.

In addition, please see the proposed Competency statement attached for clause 3.7 of the MAMCoP in paper IGEM/TSP/11/147, amended as agreed at the MAMCoP Board meeting on 28th June.
