Dear Sam

**Low Carbon Networks (LCN) Fund: Notice under Charge Restriction Condition (CRC) 13 of the Electricity Distribution Licence with respect to the LCN Fund Governance Document**

Thank you for the opportunity to provide feedback and representations on the proposed version 5 of the LCN Fund Governance Document. Please treat this response as being on behalf of UK Power Networks' three distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc. This response is not confidential and can be published on Ofgem's website.

We have been involved with drafting the changes and are therefore comfortable with them. Accordingly we do not wish to make any formal representations.

If you have any questions please do not hesitate to contact me.

Yours sincerely
