Dear Rebecca

**CONSULTATION ON PROPOSED LICENCE CHANGES TO FACILITATE OPEN GOVERNANCE OF THE COMMON CONNECTION CHARGING METHODOLOGY**

I am writing on behalf of Western Power Distribution (South Wales) plc, Western Power Distribution (South West) plc, Western Power Distribution (East Midlands) plc and Western Power Distribution (West Midlands) plc in response to the above consultation

We have no comments or objections to the proposed licence changes, including the proposed drafting, to address the issues identified to bring the CCCM into the DCUSA governance mechanism from August 2012. We have no further issues to raise.

WE agree that the changes should be restricted to the CCCM and not extended to the CCCS.

If you have any queries please contact Natasha Richardson on 0117 9332382 or at [nrichardson@westernpower.co.uk](mailto:nrichardson@westernpower.co.uk).

Yours sincerely
