Recap from Workshop 1

- We recognise the issues raised at the previous workshops. We are currently considering them but also welcome proposals in consultation responses.
- This is not an exhaustive list but issues include:
 - Request for trigger points
 - Incentives to sign interruptible contracts for NDMs
 - Incentives when reconciliation of shortfall of funds, especially due to insolvency, is through neutrality
 - Calculating NDM ECQ process and payments to I&C consumers

Clarifying Issues from Workshop 1

- NGG will clarify
 - Exit from GDE arrangements
 - Storage Curtailment and Compensation

Promoting choice and value
for all gas and electricity customers
