Project code:	SSET205	Question Number	SSES005
Question date	23/08/2012	Answer date	28/08/2012
Submission section question relates to	4		
Topic	Evaluation Criteria		
Question	When is the appointment of the two academic partners proposed for independent network modelling/technical evaluation and independent project evaluation due to be confirmed?		
Notes on question			
Answer	The invitation to tenders was emailed to six academic institutions on 6 August 2012, with a response deadline of 6 September 2012. The responses will be assessed on 10 September, with decision made no later than 12 September 2012 (one partner to be appointed to undertake the network modelling, one partner to undertake the independent project evaluation).
