Dear Tim

Closing out of DPCR4 Losses Mechanism

RWE npower welcomes the opportunity to comment on these proposals. This response is provided on behalf of the RWE group of companies, including RWE Npower plc, RWE Supply and Trading GmbH and RWE Npower Renewables Limited, a fully owned subsidiary of RWE Innogy GmbH.

Response to Q8

We do not believe there is enough certainty in the consultation on the PPL term that will be recovered. For this reason, we consider that 2014-15 recovery is not appropriate. We would suggest that recovery is delayed out to 2015-16 at the earliest. In the unlikely event that decisions on this are further delayed, we would like the opportunity to further comment on implementation dates.

Kind regards
