Dear Ms Rossington,

**Strategy Consultation the R110 – ED1**  
**Electricity Distribution Price Control.**

I have read your consultation document and was particularly pleased that the DPCR5 allowance for undergrounding of overhead lines in Areas of Outstanding Natural Beauty and National Parks is proposed to be retained (Para. 5.30). This particular allowance has been used by Scottish Power to very good effect within the Snowdonia National Park area and together with our partners, The Snowdonia Society and the Campaign for the Protection of Rural Wales, this Authority look forward to prioritising the schemes for the next price control period.

Yours sincerely,

**Aled Sturkey.**  
**Director of Planning and Cultural Heritage.**
