22 January 2013

Dear Ikbal,

Response to Notice under Section 11(2) of the Electricity Act 1989 of proposed modifications to standard conditions of the Electricity Transmission licence

and

Response to Notice under Section 11(2) of the Electricity Act 1989 of proposed modifications to special conditions of the Electricity Transmission licence held by Scottish Hydro Electric Transmission plc

I am writing on behalf of Scottish Hydro Electric Transmission plc (SHE Transmission) in response to the above notices issued on 21 December 2012. This letter and its appendix constitutes a Notice of Statutory Representation in respect of the proposed amendments, insertions, deletions and restructuring and renumbering of the Special Conditions as set out in Schedule 1 to the above notices. I confirm that I am duly authorised to provide this representation on behalf of the above named licensee.

Our comments are provided in the attached appendix. These are a small number of points which we believe to be typographical errors or minor corrections that have been missed in the drafting process. We suggest that these small amendments, that do not materially affect the relevant licence conditions, are made prior to the any licence modification taking effect.

Please do not hesitate to contact me if you wish to discuss any of the points raised.

Yours sincerely,

Rob McDonald
Managing Director: Regulation, Legal & Strategy
