Dear Ikbal,

Proposed modifications to the Standard Conditions of the electricity transmission licence

On 21 December 2012 Ofgem sent us a Notice under Section 11A(2) of the Electricity Act 1989 proposing modifications to the electricity transmission licences held by Blue Transmission Walney 1 Limited and Blue Transmission Walney 2 Limited, both of which are subsidiaries of Blue Transmission Investments Limited. This letter provides our response to the consultation documents on behalf of both Blue Transmission Walney 1 Limited and Blue Transmission Walney 2 Limited.

We would like to thank you for providing us with the opportunity to respond to your consultation and wish to make the following comments:

1. We support the changes to Standard Condition A1. Definitions and Interpretations.
2. We note the proposed modifications to Standard Conditions B1, B2, B3, B4 and B5 but we have no comments as these conditions do not apply to our offshore transmission licences.
3. We note the proposed removal of Standard Conditions B16 and B17.
4. We note the proposed addition of new Standard Conditions B23 we have no comments as this condition does not apply to our offshore transmission licences.
5. We note the proposed modifications to Standard Conditions C4 but we have no comments as this condition does not apply to our offshore transmission licences.

Yours sincerely

On behalf of

Blue Transmission Walney 1 Limited and Blue Transmission Walney 2 Limited
