

Renewables Obligation Certificate (ROC) and Renewable Levy Exemption Certificate (LEC) Issue Schedule 2013/2014

Version number: 1

Issue Date: April 2013

Column A sets out the date by which Ofgem must receive monthly generation, import, export and, where appropriate, FMS data for the purposes of issuing ROCs and Renewable LECs*. If any operator experiences difficulty submitting such data to Ofgem, within the timeframes in this schedule, we should be notified **before** the relevant date in column A.

If data is submitted to Ofgem after the date shown in column A it will be suspended and generators will be required to provide reasons as to why the data was submitted late.

Column B sets out the date by which Ofgem intends to issue ROCs and Renewable LECs.

* In the majority of cases, the data should be submitted via the Renewables and CHP Register. In the event of a problem with the Register, information should be emailed to our dedicated email account, monthlyoutputdata@ofgem.gov.uk or faxed to us on **020 7901 7387**. If you need to speak to a member of the Renewables team directly please call our dedicated helpline on **020 7901 7310**.

** Operators of microgenerating stations i.e. with a **declared net capacity of 50 kW or less** (or their agents) that have notified Ofgem that they want ROCs to be issued on an annual basis must provide data for gross output and input electricity for the period, 1 April 2013 - 31 March 2014 by 31 May 2014 at the latest. Our generator guidance document, available on our website, provides further information on this.
