Dear Lesley,

## Re: Consultation on further proposed licence changes following the implementation of the Third Package and other miscellaneous changes

On behalf of Scotia Gas Networks (SGN) and SSE plc, I am writing in response to the consultation published on 20 November. We welcome Ofgem's willingness to seek industry views on the proposed amendments to our licence conditions to reflect the changes outlined in the covering letter. Having reviewed the illustrative drafting, we have no objections to the proposed amendments.

If you have any further comments or queries, please do not hesitate to contact us.

Yours sincerely,

Aileen McLeod Head of Regulation, Networks
