Dear Lesley

Re: Consultation on further proposed licence changes following the implementation of the Third Package and other miscellaneous changes

Thank you for the opportunity to respond to the above consultation. I am writing on behalf of UK Power Networks' electricity distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, South Eastern Power Networks plc and UK Power Networks (IDNO) Ltd.

We have reviewed the proposed changes that affect our distribution licence holders and understand the need for their implementation. We have not identified amendments that are required to the proposed changes.

If you have any queries please do not hesitate to contact Paul Measday in the first instance.

Yours sincerely

Keith Hutton
